Dear Garden Families,

As the holiday season approaches, we enjoy sharing our holiday spirit to your extended family members or friends. We have a tradition of sending a gift to someone of your choice to show our appreciation of their support. The gift in the past has primarily been an ornament, utilizing either a photo, hand print or drawing from your child.

Also, as part of our annual fundraising efforts we do include a donation envelope with the gift. We are so thankful for donations and our programs wouldn't be where they are today without your families or friends support.

If you have a special someone that you would like us to include please email an address, along with the names that you child calls them, by November 22<sup>nd</sup>. [You can send your recipient list here.](#) We hope to mail the gift the first week of December.

Sincerely,  
Children's Garden Staff
