

There may be days when unexpected emergencies or inclement weather make it necessary to close school, or start later.

An all school text message via ZipWhip will go out on days school is canceled.

For inclement weather we follow the Issaquah School District school closure schedule. If Issaquah schools are closed we will also be closed. If Issaquah school has a delayed start our Cricket/Ladybug class that day will be cancelled with the exception of Friday's Cricket class. Crickets coming to school on Friday follow the same delay schedule as the Issaquah School District.

If there is NO announcement from the Children's Garden or the Issaquah School District then school will be held as usual.

Please listen to the local radio or television stations for information about the Issaquah School District, or check the district website.
